Launching...

Please click **Open zoom.us** if you see the system dialog.

If nothing prompts from browser, click here to launch the meeting, or download & run Zoom.

3. You might see a similar message to the one on the right once Zoom has been launched. As soon as your teacher joins the meeting, the virtual room will pop up.

Your video will turn ON automatically when the meeting starts

Please wait for the host to start this meeting

Start: 11:00AM

If you are the host, **sign in** to start this meeting

Test Computer Audio

4. Most likely your teacher has it set to mute all participants (that's YOU!) when they first join. You will only be able to **hear** your teacher at this time. She/he will <u>not</u> be able to hear you

5. If your teacher invites you to speak, the message to the right may or may not pop up. If it does pop up click the blue *Unmute Myself* button.
Troubleshooting:

What if my teacher cannot hear me?
- Bottom left corner next to the microphone, click the ^ arrow to try other microphones.

What is my teacher cannot see me?
- Bottom left corner next to the video camera, click the ^ arrow to try other cameras your computer may be connected to.

6. If you need to leave the meeting early or your teachers says the meeting has come to an end, you will want to exit the room by clicking *Leave Meeting* in the lower right hand corner.

Show a "Join from your browser" link

Allow participants to bypass the Zoom application download process, and join a meeting directly from their browser. This is a workaround for participants who are unable to download, install, or run applications. Note that the meeting experience from the browser is limited
